## Frequently Asked Questions (FAQs)

### CLASS LIMITS

***Why is there a 5-class weekly limit?***

The reason for this policy is to honor and continue welcoming those who are fully maximizing our Magnolia House Patient Support Program while at the same time help to expand program availability to our community.

***Does this mean I can take up to 5 Yoga Classes per week?***

No, the maximum number of yoga classes you can take per week is still 2.

***If I am already registered for 5 classes, can I still sign up on the waitlist for other classes?***

Yes, if you are signed up for 5 Classes and choose to sign up for a Waitlist then you will be added to the Waitlist. However, if/when the time occurs that you would move from the Waitlist into the class, you won't be added to the class if you are still registered for 5 other classes that week (not including the Waitlist)

***Are classes and workshops (ie nutritional cooking, oncology skin care, stress relief, pain and sleep support) included in the maximum?***

While we are online, these classes and workshops are not included in the maximum. The monthly calendar indicates which classes/workshops do not fall into the 5 class maximum. Please check the calendar for the most up to date information.

***Are appointments such as Reiki, skincare, individual therapy, and hypnotherapy included in the 5-class maximum?***

Yes, once the appointment is confirmed.

***Are educational lectures included in the maximum?***

No

***Is the Men's Cancer Support Breakfast included in to the maximum?***

No

***Can I take more than one class per day?***

Yes, you can take more than one class per day.

***What happens if I try to register for more than 5 classes?***

The system will not allow you to register for more than 5 classes per week, unless the class you are trying to register for is not part of the 5 class max.

***5 classes per week is not enough for me. I am nervous about how this will affect my healing and wellbeing. Do you have any suggestions?***

We completely understand these feelings and we are here to support you. We have many resources that we can share with you. Please contact Kelli and/or Megan at [magnoliahouse@towercancer.org](mailto:magnoliahouse@towercancer.org) so that we can help you any way we can.

***What happens if I already have taken 5 classes and there is space in a class, will the system add me, or will it place me on the waitlist even though there is space in the class?***

The system will not add you to a class if you have already taken 5 classes even though there may be space in a class.

***If I request an individual appointment, will the request be included in my 5 class maximum?***

# June 2022

No, the request will not be included until the appointment is confirmed. If you are already registered for 5 classes when you get notified that your appointment request is confirmed, then you will have to cancel one of your classes in order to confirm your appointment.

## GENERAL - TECHNOLOGY

### ***Do I have the most updated version of Zoom?***

You will want to check that you are using the current version of the Zoom platform on your device. According to their website: "Zoom regularly provides new versions of the Zoom desktop client and mobile app to release new features and fix bugs. We recommend upgrading to the latest version once it is available. You can also check which version you're currently running."

You can also access Zoom through your web browser as an alternative to downloading the Zoom app.:

- Click the link in your email with the Zoom link
- The option Join from your Browser will then appear underneath the download & run Zoom link.
- Click Join from your Browser instead of running the installer for the desktop application

### ***How can I view my schedule online?***

Once logged in to your account, there is a tab that reads, "My Info" this will lead you to a screen that has the option "My Schedule". You can view your current schedule here as well as waitlist status. There is also an option to "Email my Schedule", select this to have your schedule sent to your email!

### ***I'm having issues with my technology. Can you help?***

It is unlikely we will be able to help you if the technology issue has something to do with your device or internet service. Some tips that you can try if you are having technology issues are:

- Clear the cache on your computer
- Shut down and restart your computer and/or the zoom Platform

### ***How do you stream your classes online? What is MindBody?***

# June 2022

We use the HIPPA Compliant version of Zoom  
MindBody is the management software we use for participants to register online  
for classes

***I didn't receive the zoom link or can't find it. What should I do?***

The Zoom link comes from magnoliahouse@towercancer.org – this is different than the class confirmation emails you receive from mindbody.

Before contacting us, please check your spam and/or junk folders

We are all receiving a lot of emails these days. A helpful tip to locate the email in your inbox is to use the search box in your email inbox. Type the name of the class you are seeking to locate the zoom link for and often times that will pull up the email with the zoom information you are seeking.

If you still can't locate the email with the zoom link, please contact us at magnoliahouse@towercancer.org or 310-299-8470
